#9  NET (1 PC)	#10  RACKET (2 PCS)	#11  BALLS (2 PCS)	#12  AIR PUMP (1 PC)

HOW TO ASSEMBLE:

- 1) Assemble the 2 end legs per the diagram, without attaching the corner joints (#5) at the top.
- 2) Assemble the center leg per the diagram, without attaching the T-joint (#3) at the top.
- 3) Assemble Section 1 of the top pole and slide through Section 1 of the top sleeve.
- 4) Assemble Section 2 of the top pole and slide through Section 2 of the top sleeve.
- 5) Attach a T-joint (#3) in between Section 1 and Section 2.
- 6) Attach corner joints (#5) to the end of Section 1 and the end of Section 2.
- 7) Slide end legs through side sleeves of net, attach to the corner joints (#5) top poles and attach the center leg to open end of the T-joint (#3).
- 8) Your net is now assembled and ready for play. **ENJOY YOUR GAME!**
